PROFILE

Creative and results-driven **Software Engineer** with over **4 years of experience** building interactive, accessible, and scalable web applications. Strong expertise in **React, Next.js, TypeScript, Nest.js, Node.js, Tailwind CSS**, and **React Native**. Passionate about delivering high-performance solutions and enhancing user experience.

SKILLS

Programming Languages: JavaScript (ES2015+), TypeScript, HTML5, CSS3

Libraries & Frameworks: React, Next.js, React Native, Node.js, Redux, Nest.js, wordpress

Styling & U: Tailwind CSS, Styled-Components, Framer Motion, Storybook

Platforms & Tools: Git, Vercel, Netlify, Github, Cursor, Claude, Figma, Docker

Soft Skills: Collaboration, Communication, Problem Solving

EXPERIENCE

Full stack Developer — MTN Nigeria

Apr 2025 – Present

- Worked with NestJS to build scalable backend solutions for bill payments, airtime, and bundle payment services.

- Delivered robust and efficient APIs supporting high transaction volumes and seamless integration with payment providers.

- Collaborated with cross-functional teams to ensure backend services using MadApi aligned with product requirements and scalability goals.

Frontend Engineer — Crypto University *(Remote)*

Apr 2024 – 2025

- Developed user-friendly websites using Next.js and React Query for improved state management.

- Collaborated with cross-functional teams to deliver pixel-perfect designs aligned with product goals.

- Improved team processes by leading code reviews and accessibility best practices.

Frontend Engineer — Lilab *(Remote)*

Mar 2023 – Sept 2024

- Led redesign of key services management software, boosting operational efficiency.

- Engineered reusable components (e.g., dynamic calendars) for flexibility and enhanced UX.

- Refactored large codebases using SOLID principles and TypeScript, ensuring maintainability.

Frontend Engineer — Bible Quiz App *(Contract)*

3 months

- Built a multi-featured React Native app, increasing user retention by 15%.

- Integrated gamification and community features to enhance engagement.

EDUCATION

BSc Mathematics (Science & Education) - **Federal University, Oye Ekiti**
